WMPW, Inc. Shareholder's Meeting

Meeting began at 7:40 p.m. on January 3, 2015

President Puhalski informed the membership that the books are available to be viewed for anyone that would like to view them.

Ray Novakoski, Building manager brought the membership in attendance up to speed on what is happening with the building:.

Since the last meeting in January 2014:

1. We sold the small piece of our property to Wheeler Auto Parts store next door (happened in 2013); however they have put up fencing and will be putting up Pine Trees to block and improve the view/curb appeal. Ray stated that he wanted to buy all the way to the Parking Lot; however, we wanted to keep some green space.
2. Rentals have been steady. Most of the rentals in 2014 were from members of the WMAL.
3. We have three organizations that use our hall on a continual basis:
 - a. UAW Retirees
 - b. Bakers Union
 - c. Solid Rock Baptist Church holds services here every Sunday. (From what they say, they do enjoy being here).

President Puhalski reminded everyone that Spring cleaning will be coming up in a few months and we will need some help.

Ray also stated that Wheeler Auto has stated that if we need something or if you see something in the lot, they will give you a good deal.
